New Patient Appointment

Although we make every effort to verify insurance benefits, we are advised by the insurance companies that quotation of benefits is not a guarantee of payment. Please be aware that in most cases your mental health benefits are completely different than your regular medical benefits. Most providers require an authorization or pre-certification for your visits with our office therefore you will need to call your insurance company for **out-patient** mental health benefits. One of our Insurance specialists will be following up with your insurance company a couple days prior to your visit. **You may call the day before your visit to find out how much your visit will be if you so desire.**

Your Appointments

Please be on time for your appointment if you are **10 minutes** late for **Dr. Sherbondy, Nurse Practitioner or Physician Assistant** you will have to reschedule. If you are **15 minutes** late for a **Therapy** appointment, you will have to reschedule. A Late fee may be charged.

No show appointments

You must call our office **24 hours** in advance to cancel an appointment. No show appointments and/or late cancellation will result in a charge to your account which will not be covered by your insurance and must be paid at or prior to your next visit. Repeated no shows / cancellations could result in discharge from the practice. You may call and or email to cancel your appointment 24 hours in advance to avoid a late fee.

Office Location

Our office is located on Woodruff Road between I-385 and Highway 14. Across the street from the Wal-Mart on Woodruff Road, is the Discount Tire Store. Turn beside the Discount Tire store onto Prado Way. Continue until you see Adley way on your right. Turn onto Adley way and our office will be on your right **225 Adley Way.**

Payment Procedures

You must pay any co-pays, coinsurance, or deductibles at time of service. We are in network with most insurance providers. We do not accept **Medicare, Medicaid, Humana, United Health Care, UBH or Magellan.** As a courtesy to our patients, we will file your claims to your insurance provider that we are in network with. Please understand that any balances not paid by your insurance will be your responsibility. If this account goes to collections, you will be responsible for \$30.00 or 30% fee the greater of the two added to bill.
